WAR RISK AND BOMBARDMENT INSURANCE

The Federal Government, through the War Damage Corporation, will write the above-mentioned insurance beginning July 1st, using the insurance companies as agents.

Details of rates, rules and regulations and the application blanks have not yet been fully prepared but we hope to have them by about June the 20th. The following rates are now quoted and I do not anticipate that there will be any substantial change.

CLASS OF PROPERTY	\$1,000 INSURANCE-ONE YEAR
Dwellings and contents	\$1.00
Apartment houses, office buildings	2.00
Manufacturing plants, building and contents	3.00

The last two classifications will be subject to 30% and 40% reductions, respectively, if the 80% or 100% co-insurance clauses are added.

The rules, I understand, will require that a check for the full premium be attached to each application.

I will be in a position to secure this insurance for any of my clients that desire to have me do so.

Yours sincerely,

Harold W. Tappey
